

## Christian Horizons COVID-19 Benevolence Fund

### APPLICATION FORM

People matter. No individual in the community who is willing to receive help should be without food, shelter, and other basic needs. Furthermore, as God's people, we are invited to care for and help each other, bearing each others' burdens (Galatians 6:2).

As an integral part of the ministry of Christian Horizons, the Christian Horizons COVID-19 Benevolence Fund has been established to provide financial assistance for food, shelter, or other basic needs to employees who have been impacted by COVID-19, and for the people supported by Christian Horizons, as well as Christian Horizons Host Family Providers who are experiencing financial or material need during this time of the declared pandemic.

One-time grants of up to \$300 are available during the declared emergency until the allocated funds are exhausted. All applications will be objectively assessed. Grants will be awarded on the basis of urgency.
