

**ATTENTION: DUE TO COVID-19, ALL VISITS MUST BE PLANNED IN ADVANCE. THANKS FOR YOUR UNDERSTANDING.**

## ARE YOU FEELING SICK?

### 1. Do you have any of these symptoms?

#### DO YOU HAVE A FEVER?

*(hot to the touch, temperature of 37.8 degrees Celsius or higher)*

#### **Other symptoms may include:**

- Difficulty swallowing or losing sense of taste or smell
- Digestive issues not related to other known causes/  
*(nausea/vomiting, diarrhea, stomach pain)*

#### DO YOU HAVE A COUGH THAT'S NEW OR GETTING WORSE?

- Sore throat or a runny, stuffy, or congested nose *(not related to seasonal allergies or other known causes or conditions)*
- Extreme tiredness that is unusual *(lack of energy)*

#### ARE YOU OUT OF BREATH, OR NOT ABLE TO TAKE DEEP BREATHS?

- Falling down often, chills
- Headache
- Barking cough, making a whistling noise when breathing *(croup)*
- Pink eye *(conjunctivitis)*
- Muscle aches or headache *(unusual or long-lasting)*

### 2. What should I do if I HAVE one or more symptom OR have tested positive for COVID-19 in the past 14 days?

- You must not enter the location, or you must immediately leave if you are already inside. Tell the location supervisor right away.

### 3. What should I do if I DO NOT HAVE symptoms?

- If this is a support location, **put on your clean mask, go inside** and an employee will ask you a few more questions. You must wear a mask while on location.

**EMPLOYEES AND VISITORS MUST MONITOR AND REPORT SYMPTOMS.  
EMPLOYEES MUST REPORT ANY POSITIVE COVID-19 TEST RESULT IMMEDIATELY.**
