

COVID-19:  
Changes in Mask  
Wearing June 2022

I have seen people wearing masks for a long time. I have not seen some of the faces of people who support me.

Over the past while, our community has worked together to make things safer for everyone.

I have done my part, too!

Because of everyone's hard work, and because the virus has changed, we now get to **CHOOSE** whether we want to wear a mask or not.

This means, I will see more faces, just like before this virus!

Seeing more faces might make me feel happy, or it might make me feel nervous.

Whatever I feel, I can tell someone close to me.

***How I feel is important.***

**Everyone can choose  
if they want to wear  
a mask or not.**

**No one needs to  
explain why.**

**It is everyone's  
choice.**

If I want the person supporting me to wear a mask, I can tell them, and they will wear one.

**This is *my* choice.**

Can you wear a mask please?

People who support me  
might wear a mask  
even if I don't ask them  
to. This is okay.

**This is *their* choice.**

Hi! How  
are you  
today?

**I will keep working hard to be safe:  
Not touching my face, washing my hands, and  
getting my temperature and symptoms  
checked.**

**I have people in my life  
who are here to support  
me.**

**I can always ask questions  
if I am unsure about  
something.**

**We are all in this together!**
